- 1.2 The Committee is a non-executive committee and has no executive powers except as set out in these Terms of Reference.
- 1.3 Under the Council's Scheme of Delegation, the Committee has delegated authority from the Council to:
  - Oversee the development of performance measures and data, which are meaningful to the Council so that the Council has the right data to be able to understand the performance of the GPhC operationally and its compliance with targets and plans.
  - Consider data, insights and information, to provide assurance to the Council about organisational quality and performance and drive/demonstrate improvement and innovation.
  - Oversee the quality and performance of business as usual, significant workstreams or improvement initiatives when requested by the Council, to ensure these meet the Council's Vision and Strategy.
  - Oversee any improvement action plans or other improvement initiatives, to ensure they address any areas of unsatisfactory performance, and monitor implementation of these plans.
  - Review and identify, with the Executive, ways in which risks to successful performance are identified and managed (taking account of existing approaches and resource allocation), to provide assurance to Council.
  - Provide an escalation route to Council for any quality or performance concerns.
- 1.4 The Committee shall ensure that all policies and work within the Committee's remit take account of and promote the GPhC's culture and values, and commitment to equality, diversity and inclusion.
- 1.5 The Committee may obtain independent professional advice and secure the attendance of external advisers with relevant experience and expertise if it considers this necessary, within the budget approved by the Council.

## **2. Accountability and reporting**

- 2.1 The Committee is accountable to the Council. The minutes of each Committee meeting shall be circulated to the Council.
