

Accreditation and Recognition panel member

Name: Charlotte Patterson

Team member

Job title: Pharmacy Technician Facilitator, Birmingham and Solihull training hub and Clinical Pharmacy Technician in primary care network

Charlotte qualified in 2017 as a registered pharmacy technician, primary her pharmacy background has been secondary care. Charlotte completed her pre-registration two-year training in secondary care and the continued to develop her career in secondary care over the next 5 years mainly working as a medicines management pharmacy technician.

Charlotte completed her ACT in 2018 and had the opportunity to work in many various NHS Trusts in the Midlands.

In 2021, Charlotte started her role with the Birmingham and Solihull training hub as a pharmacy technician facilitator, in this role she has been able to develop main skills and she has been the chair of the pharmacy technician professional networks for nearly 2 years. While working at the training hub, Charlotte has started to undertake her level 3 TAQA qualification and an ILM Level 3 leadership and management course. For her other part time role Charlotte works as a clinical pharmacy technician in a primary care network, she has done this since 2022 and have completed her CPPE Pathway.

Charlotte enjoys developing her own knowledge and skills she wants to be able to help others do the same and continue developing the role of a pharmacy technician.
