

Accreditation and Recognition panel member

Name: Dafydd Rizzo

Team member

Job title: Clinical Pharmacist, Cardiff and Vale University and Post-Registration Foundation Pharmacist

Dafydd is a recently registered pharmacist. He is currently working as a part-time clinical and technical services pharmacist in Cardiff and Vale University Health Board. He also employed by RPS Wales as a Policy and Public Affairs Executive. He recently has been credentialed for passing the post-registration foundation pharmacist training and independent prescribing course headed by HEIW and taught through Cardiff University.

Prior to this he completed his foundation year as a split-post between a pharmacy GP federation and the hospital sector in East Sussex. He also has experience in community pharmacy where he worked for Well Pharmacy in Tonteg/Church Village during his time in university. He graduated from Cardiff University in 2021, during which he was the first student representative on HEIW's Pharmacy Advisory Board and chairperson of the Welsh Pharmaceutical Students association (WPSA) 2018-2019.

He is also a fluent Welsh speaking having conducted his primary education through the medium of Welsh.
