

Rapporteur

Name: Marcia Fernandes

Job title: Managing Director at the Association for Accredited Learning

Marcia Fernandes has worked across the education sector for more than 20 years, predominately in higher education overseeing quality enhancement, curriculum and staff development. She has expertise drafting reports across the sector and has worked with several awarding organisations as a consultant and external quality assurer. Marcia holds a Masters in Quality Assurance and is an experienced teacher-trainer. She is the Managing Director of the Association for Accredited Learning, a membership organisation specialising in accreditation, lived experience and employee wellbeing.
